Content Covered

The Praed Foundation provides this site to facilitate training and certification on a variety of outcomes management tools including the Child and Adolescent Needs and Strengths (CANS), the Family Advocacy and Support Tool (FAST), the Adult Needs and Strengths Assessment (ANSA), the Readiness Inventory for Successful Entrepreneurship (RISE) and the Safe Systems

Improvement Tool (SSIT). In addition to training on these tools, certification and recertification is provided. Administrators can track the certification status of their staff through administrative access features.
