Identify our Program Profile	Who are our kids? What are there strengths? And what are there needs? Do they get better? Where and where not?

TCOM Items of interest

Questions	Answers
What are the clientele’s most common strengths? Can we imagine such a person?	
What are the top Needs in order, and what kind of “child” is this? (Comparing to other programs can help you see it.)	
How do things change?	
<ul style="list-style-type: none"> Which needs reduce the most? 	
<ul style="list-style-type: none"> Which strengths improve the most? 	
What next steps do we think we could take on the program?	
<ul style="list-style-type: none"> What do we need to understand more? 	
<ul style="list-style-type: none"> What might we want to “Do better” as a program?
